

Access to WR/LJ Water Meter Pits is Not Permitted

Metering equipment in several locations has been damaged due to unauthorized persons getting into meter pits and tampering with the equipment. When lids are removed and not replaced properly, the sensitive equipment within the meter pit will freeze and break. Additionally, lids that are not replaced properly will allow animals, such as rodents and snakes, to enter causing damage to the equipment.

Meter pits are the sole property of WR/LJ, even though meter pits are located on private property. Only WR/LJ employees may access meter pits. It is WR/LJ's responsibility to maintain and repair the meter pit and equipment inside. The cost of damages or loss to WR/LJ's meter pits and equipment due to tampering will be passed on to the water user.

Water users should furnish and maintain a private shut-off valve on the user's side of the meter. If water must be turned on or off at the meter, please contact the WR/LJ office in Murdo at 605-669-2931.
